Independent University Bangladesh

Minor: Management Information System (MIS)

Bashundhara R/A

2020-2024

EXPERIENCE

❑ Intern IT

Daraz Bangladesh Limited

Department: Information Technology

7/8/2024 – 3/1/2025

Banani-11, Dhaka

- Collaborated with cross-functional teams to ensure smooth IT operations, enhancing overall system efficiency.
- Streamlined device setup processes (OS installation, printer-scanner maintenance) to improve team productivity.
- Monitored network systems and resolved technical disruptions, minimizing downtime.
- Assisted internal users both remotely and on-site via IT ticket management system.
- Participated in server maintenance tasks with the server team.

❑ Intern Business Analyst

Akij iBOS Limited

Department: Software Development

2/2/2025 – 2/5/2025

Lalmatia, Dhaka

- Collaborated with the Managerium (ERP) team to analyze business requirements and client expectations.
- Assisted in mockup design and documentation of POS (iPOS) modules used by clients like Prince Bazar and Agora.
- Participated in meetings between stakeholders and developers to ensure solution alignment.

❑ Associate Business Analyst

Akij iBOS Limited

Department: Software Development

2/5/2025 – Present

Lalmatia, Dhaka

- Leading requirement analysis and communication flow for POS and ERP project cycles.
- Designing detailed mockups and wireframes using Balsamiq and draw.io for product enhancements.
- Managing tasks and sprint updates via Jira in collaboration with the development team.
- Ensuring project alignment with client objectives, contributing to timely and successful delivery.
