Al Rawnak Shafin
Intern

Reliable Intern studying **Computer Science and Engineering** at **Independent University of Bangladesh** , a very well known private university of our country seeking an internship opportunity to expand skills andgain valuable real-world experience. I am also organized and dependable candidate with good multitasking ability. I'm willing to give my best as a **Junior Developer** at my dream place to work. Also I will try my best to maintain part-time position that can execute professional challenges as a programmer at your well known farm.
